SEVEN LAST WORDS OF CHRIST IN AN ORATORIO

Tomorrow afternoon in the Tabernacle four of the city's most prominent vocal soloists will present the oratorio "The Seven Last Words of Christ," composed for four mixed voices by Mercadante, one of the early Italian composers. They have been rehearsing for the past six weeks and will present the oratorio as the second number of the Tabernacle choir's 1916-17 series of Sunday afternoon sacred musicals.

An analytical sermon on the text of the composition will be delivered by Elder Alva L. Scoville between the different numbers which will be presented as follows:

2. Soprano solo, "Father Forgive Them for They Know Not What They Do".....Myrtle Ballinger Higley

Doctor Tells How To Strengthen Eyesight 50 per cent In One Week's Time In Many Instances

A Free Prescription You Can Have Filled and Use at Home.

Philadelphia, Pa. Do you wear glasses? Are you a victim of eye strain or other eye weaknesses? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me. A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be

and a well-known dairyman of the city. The funeral announcements will be made later.

ever getting glasses. Eye troubles of many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid tablet bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.
Note: Another prominent Physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturers guarantee it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good drugist and is one of the very few preparations I feel should be kept on hand for regular use in almost every family."
